LB 1235, 1237

Senator Wehrbein has seven students, third through eighth grades, from the 8 Mile Grove School in Plattsmouth with their teacher. Would you folks please stand and be recognized. Thank you. Then Senator Miller and Senator Langford have guests in the north balcony. Ten high school students, juniors and seniors, from Shelton, Nebraska, with their teacher. Would you folks please stand and be recognized. Thanks to both groups for visiting us today. You are witnessing Final Reading which is a necessity here that says that all bills have to be completely and clearly read upon final passage. This is as clear as it is going to get. And I guess it stems back to the days when some members of the Legislature could not read. But all of the members nowadays, of course, have ample time to know what is in the bills, so we crowd it a little bit on the clarity of the reading of the bill. The next bill is LB 1235 with the emergency clause attached. Mr. Clerk.
